

Hello,

This letter is intended to the manufacturer and/or the distributor of the products SpiffyBaby offers to its customers at www.spiffybaby.com online store.

In a wake of recent recalls of products produced in China which contained some hazardous to children materials, SpiffyBaby decided to educate our customers and provide them with as much information as possible about the products we carry. We think this is very important and urgent matter not only because of business continuity for SpiffyBaby.com as a retail store, but also as a reassuring statement from the manufacturers about the safety and quality of the product they produce. This information will be available to SpiffyBaby.com customers at <http://www.spiffybaby.com/Product-Safety-and-Toy-Recalls-sp-34.html>.

We invite you to fill out some basic information regarding the production, safety and quality control of your products purchased by SpiffyBaby.

Please fill in the following information:

Company Name	Made In (China, US ...)	Safety Standards (ASTM, ANSI, BSI, CPSC, CE)	Manufacturer Statement (provide either a .pdf, .doc or url of statement)
<i>Mullins</i>	<i>China MSA</i>	<i>CPSC</i>	<i>ASTM Standard</i>

Representative Name: *R.G. Mullins*

Signature: *[Signature]*

Date: *10-30-07*

Please either fax (212.857.0512) or email it to us at info@spiffybaby.com.

If you have any questions, please don't hesitate to contact us at this toll free number 866.546.4575.

Your cooperation and a timely response in this matter is highly valuable and most appreciated. You may either email us your response or fax a completed form.

Best regards

Eleonora Rozengurtel, owner of SpiffyBaby.com
